Experience

Freelance Front-End Developer

March 2021 - Present | Rocklin, CA | Remote

- Planned website development, converting mockups into usable web presence with HTML, CSS, JavaScript, and React.
- Designed, implemented and monitored web pages for continuous improvement.
- Oversaw technical issues and troubleshooting requests to resolve user problems.

Projects

Sous-Chef Helper

- Created using HTML5, CSS3, and JavaScript ES6
- UI designed in Figma
- Recipes information gathered from Spoonacular API
- JavaScript used to dynamically display recipes.

DN Web Solutions

- Created using HTML5, CSS3, and JavaScript ES6
- Built per clients request for their Saas
- UI designed in Figma
- Responsive Design
